

— Your neverending story —

FIRST THINGS TO DO FOR FIRST FRIDAY.

- 1** Get out of bed sometime between 6am and 3pm. Go to work if that's your thing.
- 2** Grab your friends at 5pm. Not literally, of course— that's just rude.
- 3** Hit a gallery for free food, free fun, and free art. Repeat...oh, a couple dozen times before 8pm.
