

Downtown Spokane 2018 Annual Meeting

Join us in highlighting Downtown Spokane's plans and achievements with a direct message to celebrate the year behind us and create energy for the year ahead. Together we'll maximize Downtown's unique characteristics to attract prospective residents, tourists, corporations, and retail companies.

Description

Downtown Spokane is inviting key business partners to participate in celebrating accomplishments at the 2018 Annual Meeting through sponsorship. We would like to extend that opportunity to your company. Each year this event attracts an attendance of 250 to 300+ individuals from a wide spectrum of businesses and organizations, we expect as many or even more in 2018.

Sponsorships allow us to keep the cost of entry as a low \$35 and to bring a dynamic program to our members and community.

Downtown Spokane's unique urban environment creates synergy throughout the region. Downtown is distinguished as an exciting regional center—the business, financial, medical, educational, and cultural hub. Annually, downtown plays host to the employees, guests and clients of which your business is a part. Downtown Spokane serves as the economic hub of the inland northwest with the largest concentration of employment, retail, urban living and noteworthy attractions.
