~~City Ordinance C-33781 passed December 12, 2005 amending Ordinance C-33418 passed May 3, 2004 amending Ordinance C-32923 enacted by City Council on November 12, 2001~~ Chapter 4.31 of the Spokane Municipal Code (SMC), as originally adopted in Ordinance No. C-32923 and as subsequently amended by the City Council, provides for the levy of special assessments upon businesses and properties within the area designated as the Downtown Business Improvement District (BID). The Ratepayer Advisory Board of Directors submits to City Council an annual BID Management Plan including a proposed budget and special assessment matrix. In early December, City Council holds a public hearing to hear all protests and receives evidence for or against the proposed action.

The following guidelines are provided as a supplement to the assessment matrix:

- Assessment rates are annual and are based upon gross leasable space (including storage) except where noted. If a ratepayer elects to pay the assessment in two installments there will be a \$10.00 service charge levied.
- A pro-rated assessment shall be available to tenant ratepayers upon request.
 - The pro-rated assessment shall be based on a full month, i.e. If a ratepayer leaves the district March 15th they will be invoiced for three full months.
 - A pro-rated assessment shall be available only to tenant ratepayers who move out of the district. When a tenant moves within the district, that tenant will be responsible for the assessment based on their previous location until the change is made for the next year's assessment roll.
- Assessments are based upon ~~six~~ four "benefit zones", each of which pays a different level of assessment based upon the services it receives.
- A minimum assessment of ~~\$91~~ 10.00 is levied for each tenant and/or property parcel.
- The following will be exempt from assessment: Organizations and property owners recognized ~~by the State of Washington as Charitable Organizations; businesses recognized by the State of Washington as Non-Profit organizations recognized under Section 501 (c)(3) of the Internal Revenue Code as a tax exempt non-profit charitable organization;~~ Governmental agencies exempt from taxation pursuant to State and Federal law, ~~Vendors and Concessionaires, theaters which principally present live performances,~~ organizations conducting business in the BID less than 30 days per year, ~~or as per Section 5A4 as amended.~~
- No historic tax credit or other exemptions that would decrease the assessed value of land or improvements will be used to calculate the annual property assessment.
- The Downtown Spokane Partnership office should be contacted immediately to discuss any situations not covered in the above guidelines.
- Manufacturing businesses should have their businesses classified, and assessments applied, consistent with other uses in the District. Business classifications (i.e., office/manufacturing) should not be prorated for a single business operation. Per Section 4, Part E, "if multiple activities or uses are undertaken in a single business space, the predominant activity or usage shall determine the business classification. The predominant usage is that use that has the greatest proportional square footage of a building compared to other uses.

DISPUTES

The majority of assessment questions are quickly resolved by the billing agency or the Downtown Spokane Partnership office. If a satisfactory conclusion is not reached, a ratepayer aggrieved by the amount of an assessment or delinquency charge, shall request, **within sixty (60) days of the assessment or charge**, a hearing before the Ratepayer Advisory Board. An Assessment Resolution Policy, which fully outlines the appeal process, is available from the Downtown Spokane Partnership office.

The percentage increase in the assessment formula shall be computed as follows:
